Dated, 16th April 1948.

My dear Sir,

GOVERNOR GENERAL'S VISIT.

As desired in your D.O.letter No.7327/C.B. E2, dated 13/14th April 1948 I am arranging to send a bus and a three-tonner truck to Bangalore for the journey of the advance air party to Mysore. These vehicles will report to the Superintendent, Kumara Park, on the evening of the 20th instant.

I am arranging to secure an open car for the use of His Excellency while he drives through the town on the 21st instant. As this is an old car and is not capable of good speed it will be used only when it is considered necessary. I shall send two Palace cars to Bangalore on the 26th instant for the use of Their Excellencies while there. It will not be necessary to send any Guest House cars to Mysore for use during the visit as I hope to raise enough vehicles locally. I shall be glad to have the memorandum of routes as early as possible, as the drivers have to be instructed well in advance and put through their paces.

The crew of the Governor-General's Dakota will be accomodated at the Hotel Metropole from the 21st to the 27th instant. The Hotel Station wagon will be placed at their disposal.

Refering to your Official Memorandum No.7285-7305/C.B.188-47-4 dated 13/14th April 1948, forwarding copy of the Provisional Programme, I write to state that the timing of the Military Display on the 23rd April has been altered to 6.30 P.M. in order to allow time for changing before dinner. The timing suggested for the dinner party viz., 8.30 P.M. is confirmed.(This has reference to your D.O. letter No.7340 C.B. dated the 14th instant asking for confirmation on this point).

It is presumed that the advance Train Party will have to be accomodated in Mysore till the 26th instant.

The enclosures sent to me are not clear as to whether Mrs. Currie is accompanying the Governor-General's party or not. This may kindly be clarified.

With best respects,

Yours Sincerely,

SHORT NOTE ON THE CHELUVAMBA HOSPITAL, MYSORE.

This hospital was originally known as the Vani Vilas Hospital and was founded in the year 1880 to accommodate 31 beds. It was named after Her late Highness Maharani Kempananjammanniavaru Vani Vilas Sannidhana, C.I. As there was urgent need to increase the accommodation of th hospital, a new two storeyed building was constructed on the present site in the year 1939 at a cost of nearly four lakhs of rupees and the Hospital was shifted to the new building in March of that year. His late Highness Sri Krishnarajendra Wadiyar Bahdur, G.C.S.I. Maharaja of Mysore, graciously donated a lakh of rupees in memory of His late sister Sri Cheluvambammanniavaru and the hospital now bears her name.

The Hospital now accommodates 130 beds.

A separate Outpatient Dispensary known as "Seetharanga Out-Patients Dispensary" has been constructed near the Hospital from the donation of Rs.20,000/- made by Dharmapravartha H.S. Rangaswamiengar.

SPEECHES BY GOVERNOR-GENERAL.

In draft programmes drawn up by Provinces for visits of the Governor-General, His Excellency is frequently asked to make speeches or reply to addresses made to him. As a constitutional Governor-General, it is necessary for His Excellency to show to the Government of India copies of any speeches he is due to make. It is therefore essential for him to be informed well beforehand in regard to any address it is desired he should make, and that he should be in possession of a copy of the address to which he is to reply, and material for his own address.

It is requested therefore that in all such cases the information and material referred to above should reach H.E. as long as possible before the actual event with a minimum of 7 days under which, as you will appreciate, it will not be possible for him to conform.

Draft Address.

To

His Excellency Rear Admiral the Right Honourable
Viscount Mountbatten of Burma, K.G., P.C., G.M.S.I.,
G.M.I.E., C.C.V.O., K.C.B., D.S.O.,
Governor-General of the Dominion of India.

May it please Your Excellency,

We, the President, Vice-President and Members of the Municipal Commission of the Civil Station, Bangalore, have great pleasure in extending to Your Excellency and Her Excellency Lady Mountbatten, a sincere and hearty welcome on behalf of the citizens of the Civil Station of Bangalore.

The area comprising the Civil Station, Bangalore, was assigned to the British Government as far back as 1807, and it was in the year 1862 that the first Municipal Commission for this area was formed. Since then, the Municipal Administration developed and the town grew into a big city with a population extending to over quarter million at present. This area has been under British administration until July last year when as an inevitable consequence of the constitutional changes, Your Excellency as the Crown Representative decided upon the retrocession of jurisdiction over this area to His Highness the Maharaja of Mysore. We take this opportunity of thanking Your Excellency as the head of the previous administrative set up, for the manifold benefits which the Station enjoyed during the years of British Administration. We are now proud to be an integral part of the State of Mysore to which we legitimately belong, and we look forward to an era of progress and advancement for the Civil Station under the fostering care of His Highness' Government.

We are glad to mention that for a period of over 20 years, this Municipal Commission have taken a very keen interest in the housing scheme for the poor. We have been able to provide so far, 1,565 Municipal units in all the colonies put together with house rents ranging from Rs.1-8-0 to Rs.17-8-0. The question of the housing of the sweepers and scavengers employed by this Commission has also received our earnest attention and we are

glad

glad to mention that we have been able to house nearly 80 % of them. Considering the magnitude of the housing problem, both in the City and the Civil Station, we must admit that we have not touched even the fringe of the problem and we earnestly hope that with the benevolent assistance of the Government of Mysore we will be able to make more headway in this direction.

This joint function by the Municipalities of Bangalore City and Civil Station augurs well for the future and may be a harbinger of the greater Bangalore to be.

Your Excellency is the embodiment of all that is noble and great in the British nation, whose sense of discipline and innate faith in the democratic way of life, are worthy of emulation by all the freedom loving people. In Your Excellency we find a gallant soldier whose contribution to the success of the last War has been decisive. We welcome Your Excellency as a statesman of the highest order. The great part played by Your Excellency in helping India to attain her rightful heritage will be remembered with gratitude by generations of Indians yet unborn.

We are particularly happy on this occasion to welcome on behalf of the public of the Civil Station, Her Excellency Countess ~~Lady~~ Mountbatten, whose solicitude for the welfare of women and children of all classes of Indians is well known. The proposed visits of Her Excellency to the Indian Red Cross Home in the Civil Station and the Disabled Soldiers Home at Jalahalli are clear indications of her continued interest in mitigating the sufferings of the poor and helpless which is a source of inspiration to all.

We are grateful to Your Excellency for kindly consenting to receive this address and we hope that Your Excellency will carry with you happy and pleasant memories of your stay in the Mysore State and particularly in Bangalore.

We pray that God Almighty may shower upon Your

Excellencies

Excellencies happiness, long life and prosperity.

We beg to remain,
Your Excellency's most obedient servants,

Draft Address.

To

His Excellency Rear Admiral the Right Honourable
Viscount Mountbatten of Burma, K.G., P.C., G.M.S.I.,
C.M.I.E., G.C.V.O., K.C.B., D.S.O.,
Governor-General of the Dominion of India.

May it please Your Excellency,

We, the President, Vice-President and Members of the Municipal Commission of the Civil Station, Bangalore, have great pleasure in extending to Your Excellency and Her Excellency Lady Mountbatten, a sincere and hearty welcome on behalf of the citizens of the Civil Station of Bangalore.

The area comprising the Civil Station, Bangalore, was assigned to the British Government as far back as 1807, and it was in the year 1862 that the first Municipal Commission for this area was formed. Since then, the Municipal Administration developed and the town grew into a big city with a population extending to over quarter million at present. This area has been under British administration until July last year when as an inevitable consequence of the constitutional changes, Your Excellency as the Crown Representative decided upon the retrocession of jurisdiction over this area to His Highness the Maharaja of Mysore. We take this opportunity of thanking Your Excellency as the head of the previous administrative set up, for the manifold benefits which the Station enjoyed during the years of British Administration. We are now proud to be an integral part of the State of Mysore to which we legitimately belong, and we look forward to an era of progress and advancement for the Civil Station under the fostering care of His Highness' Government.

We are glad to mention that for a period of over 20 years, this Municipal Commission have taken a very keen interest in the housing scheme for the poor. We have been able to provide so far, 1,565 Municipal units in all the colonies put together with house rents ranging from Rs.1-8-0 to Rs.17-8-0. The question of the housing of the sweepers and scavengers employed by this Commission has also received our earnest attention and we are

glad

glad to mention that we have been able to house nearly 80 % of them. Considering the magnitude of the housing problem, both in the City and the Civil Station, we must admit that we have not touched even the fringe of the problem and we earnestly hope that with the benevolent assistance of the Government of Mysore we will be able to make more headway in this direction.

This joint function by the Municipalities of Bangalore City and Civil Station augurs well for the future and may be a harbinger of the greater Bangalore to be.

Your Excellency is the embodiment of all that is noble and great in the British nation, whose sense of discipline and innate faith in the democratic way of life, are worthy of emulation by all the freedom loving people. In Your Excellency we find a gallant soldier whose contribution to the success of the last War has been decisive. We welcome Your Excellency as a statesman of the highest order. The great part played by Your Excellency in helping India to attain her rightful heritage will be remembered with gratitude by generations of Indians yet unborn.

We are particularly happy on this occasion to welcome on behalf of the public of the Civil Station, Her Excellency Lady Mountbatten, whose solicitude for the welfare of women and children of all classes of Indians is well known. The proposed visits of Her Excellency to the Indian Red Cross Home in the Civil Station and the Disabled Soldiers Home at Jalahalli are clear indications of her continued interest in mitigating the sufferings of the poor and helpless which is a source of inspiration to all.

We are grateful to Your Excellency for kindly consenting to receive this address and we hope that Your Excellency will carry with you happy and pleasant memories of your stay in the Mysore State and particularly in Bangalore.

We pray that God Almighty may shower upon Your

Excellencies

Excellencies happiness, long life and prosperity.

We beg to remain,
Your Excellency's most obedient servants,

The President, Vice-President, and
Members of the Municipal Commission
Civil Station of Bangalore.

Dear Sir,

I am in receipt of the official memorandum No. ~~dated~~ 7285-7305.B.188-47-4.E1., dated 13/14 the April 1948 regarding the visit of Their Excellencies the Governor-General of India and the Countess Mountbatten of Burma to Mysore and Bangalore, to-gether with a copy of the provisional programme and I am taking needful action in this regard and I shall inform details to you in due course.

Yours Sincerely,

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

May it please Your Excellency,

We, the President and members of the Bangalore City Municipal Council wish to take this opportunity of offering you a most hearty and cordial welcome to this City, the administrative capital of the ancient and historic State of Mysore.

We consider it a unique privilege indeed to receive Your Excellency in our midst this evening. A many-sided distinction attaches to Your Excellency's period of Governor-Generalship. To Your Excellency was given the opportunity of playing a conspicuous part in ushering in the Era of Freedom and setting Independent India on her feet. The world has expressed its admiration for the courageous and statesmanlike manner in which you have been able to carry out the anxious tasks which the historic transfer of power involved. We desire in particular to touch upon the understanding and helpful part which you played in respect of the thorny question of the Indian States. We are convinced that but for the clear and emphatic attitude you adopted

The address appears to be alright, & does not call for any remarks

12/4/48.

in this matter as an interpreter of the signs of the times and a well-wisher of democratic progress, the difficulties in the path of the adjustment of the States in the polity of a United India could not have been solved, so easily and so well. For this signal service we wish to assure you of the sincere gratitude of the people of the States.

We share the pride of the whole country in realising that we have in you such a distinguished member of the British Aristocracy, being as you are a direct descendent of Queen Victoria of revered memory. The illustrious record of your achievements both as soldier and Statesman is to our minds a warrant of the hope that as great and distinguished a future lies before you. Your career during the past decade as Admiral, Administrator and diplomat has made you almost a legendary figure in contemporary history. It is no wonder at all that in the world press your name is today being suggested in connection with the Ambassadorship to Russia and Washington and the Premiership of your mother land.

We beg permission on this occasion to pay our tribute of admiration to Lady Mountbatten for the most kindly and keen interest she has evinced in the cause of the welfare of the women and children of India and in the work of rehabilitating the refugees as well as for the splendid manner in which she has shared in your arduous labours. We have no doubt that you will both exert yourselves to the utmost, in whatever position you may find yourselves in future, in continuing to promote the cause of the deep and lasting friendship between England and India.

This City, founded by Magadi Kempegowda, enjoying a most salubrious climate, has often been the envy of other parts of India. It has progressed in importance and extent rapidly during the last decade, in which space of time the growth of Industries and Handicrafts has nearly doubled its population. In this cosmopolitan City, with a present population of over 5 lakhs, the housing problem has become very acute, there being hardly 30,000 houses now existing. The Municipal Council

is grappling with this problem to the best of its ability, and we must acknowledge the unstinted help and co-operation which the Government of His Highness the Maharaja has extended to us in this vital matter. Government constituted a City Improvement Trust Board in November, 1945, and have sanctioned improvement schemes for opening out new residential extensions at a cost of one crore of rupees (providing for 6000 house sites) and an Industrial Suburb for shifting existing industries from the City and for locating new industries. The latter scheme is estimated to cost 50 lakhs of rupees, and provision will be made for housing labour in the suburb, care being taken that labour is not segregated but interspersed with middle-class residential areas. Tenemental quarters and single-unit houses to suit the requirements of the lower income groups are now under construction in a very centrally and picturesquely situated area specially acquired for the purpose in the City. With the fruition of the efforts in this direction in the near future, it is hoped that the housing shortage will be met to a

considerable extent.

The Municipality has recently sanctioned a scheme for building a Students' Hostel at a cost of Rs.3 lakhs and the work is now in progress. It has also propounded a scheme for providing houses for the Harijans in the City, and has been zealous in the provision of facilities to the sweepers and scavengers in its employ. The basic rates of pay of these (as well as all other) employees of the Municipality has very recently been considerably increased, and a Provident Fund Scheme and the starting of a Co-operative Society (in their regard) will shortly be given effect to. Maternity Homes is another feature in which the Municipality has been deeply interested, and such institutions are functioning and others are being constructed in various parts of the City. We are proud to bring to your notice that many philanthropic citizens of this City have voluntarily come forward with large sums of money for the construction of such Homes, the amount so contributed during the past few years amounting to about 6 lakhs of rupees.

Although the revenue of this Municipality is about 50 lakhs, in comparison with the Municipalities of the Indian Dominion the incidence of taxation is the lowest, the assessed taxes on houses being hardly 12½% of the annual rental value. The working of democracy elsewhere has tended to increased taxation, but we are glad to say that we have maintained a harmonious balance in this respect. The members of the present Municipal Council are a team working together for the realisation of communal and civic harmony, irrespective of individual political ideologies. We have an ambition to make this City of ours the Queen of the Cities of India, and it is our earnest desire that every one who comes here should breathe the free and beautiful air and feel at home with the rest of the population.

We trust that Your Excellencies will greatly enjoy your visit to our State and to this our City, very brief though it is likely to be. We wish Your Excellency all possible success in the great office

you are occupying, and pray that the Almighty may shower upon Your Excellencies long life, health and prosperity.

We remain

Your Excellency's devoted servants in the cause of the country,

President and members of the
Bangalore City Municipality.
